"As usual, I stopped in at the hotel Sunday af ernoon, and while lookin' 50 00 over the papers in the readin' room I 100 00 heard two m n talkin' together back o' me about mines and as how one o' them would like to git hold of an interest in a good payin' lode for some 10a12 eastern capitalists. 25al 50 "I don't know what gave me the born to them, and in 1859 Rebison

the idea, but it came all of a suddin' lke; an' fixin' the man's face on my 1 08 mind I passed out of the room and 2 10 took a walk up Fryer hill to think the "What I concluded to do was this: and sell it to him, make or brake.

2 00a8 00 Salt the mine, take the fellow up to it tidings being received from the ab-"I made a bee line for the Little Chief mine and filled my pockets with had fallen a victim to Indian ore, taking just as much as I could bullets or the knife of an a sassin. lug off. The ore looked for all the The hand of the wife was sought in 50 | world like the ore in our mine, and on 7 00 arrivin' there I at once set to work oo sickin' pieces into orevices and patchin up the walls of the tunuel, until fourteen years after her first husband 50a3 00 the hole looked for all the world like had been given up as dead. They at 2 75 the best payin' lead in the state. Then 2 25 I returned. "Next mornia I returned early to R bison arrived to-day, after an ab-

the hotel and introduced myself to Mr. Bitters. Told him I had struck 75al 10 him to visit the mine.
1 10al 80 "He set to work apreadia' a news. paper on the ground and began to pick where I'd told him. He folded it 8 00a9 50 carefully up and we rode back to town, 11 00 where we had an assay made. It gave

two hundred ounces, which set him wild with delight. "For that moment you never seed a fellow stick so close to another, as Bitters did to me. He was afraid I'd sell the mine to somebody else before he could git a chance to buy it, and he began to watch every step I took
Nothing would do but I had to go to
his room with him and drink and eat the best there was in the hotel. Then he began to make propositions, offer ing me the forty thousand dollars.
"I teld him I couldn't of taking less than six y thousand, half o' that to Bill and thirty thousand to go to

me; but ne urged so hard that finally I said I'd see Bill and find out what he thought about it.
"So Bill was celled, and being posted, he thought as how perhaps we'd better take it, is it was a cash

"Yes, said I; if it's a cash sale I the great remedy that is causing so much excitement by its wonderful cures, curing thousands of hopeless cases. Over a million bottles of Dr. "Bitters said of course it was cash, and right then and there he pulled out his wallet and fixed up the papers, which Bill and I signed with the un-"Bitters said of course it was cash, King's New Discovery have been used derstanding that the money was to be King's New Discovery have been used within the last year, and have given perfect satisfaction in every instance.

derstanding that the money was to be paid over the next day and everything straightened up.

straightened up.

"You would?" said one of the "The next day came, and as I walk-ed into the hotel I seed Bitters sitting

thar, waiting for me. "As I was about to go where he sat, a trial bottle free of cost, or a regular one fellow spoke up out of the crowd, size for \$1.00. J. K. Ish, Omaha. (3) loud enough for every one to hear: 'Hello, Tim, I understand your mine assayed 'leven ounces to the ton, the

is guaranteed to give perfect satisfactiod in every case or money re inded.

Price 25 cents per box. For sale by 8dly J. K. ISH, Omaha.

This save to smell a mouse and lineseted on an other assay being made; and durined if he didn't make me take him back to the mine and let him have his own way in picking his specimens. I knew the game was up; and sure twitched around the corners of the stranger's mouth as he asked the enough there was that assay of 'leven crowd up to lake something. ounces sgain.

"That's how I missed my tortune, concluded Tim. "It was a durned mean trick, I'lladmit, but old Bitters oould have lost that forty thousand and never missed it, while I was on bedrock."

Touching the claim of some eastern journalists that finer qualities of wool are in demand and should be produced by wool growers to which

Plant Forest Trees.

The latest report of the commis- buyers are continually to ling farmers sioner of agriculture contains some that they should raise more superfine statements of the comparative value wool. There are still a few Saxony of farming and timbered lands, showing that the latter evince a tendency to advance in price more rapidly than to advance in price more rapidly than cleared tracts. This is one result of come to these they say: "Why do forests which have characterized the settlement of the country. Large tracts have been swept of valuable forest trees, which were piled up to dry and then burned, as the cheapest way of getting rid of a natural product, which cost nothing originally, but, once lost, cannot be restored without long years of patient waiting. The spectra form of the Saxony do not pay enough for it. If he is the owner of the Saxony dip he continues: "You go around and buy up the heavy, greasy wool, paying nearly as which is particularly while it weighs 6 and 7 pounds to the without long years of patient waiting. The consequences of that short-sight without long years of patient waiting. The consequences of that short-sight ed pol oy are already making them selves feit, not alone in the scarcity and enhanced value of lumber, but the wastefulness and destruction in you not raise more of this? The Hundreds in use in lows and No forests which have characterized the farmer soon tells him, "because you by Dealers in nearly every county. selves feit, not alone in the scarcity ence. By this system of buying they and enhanced value of lumber, but have done much toward corrupting also in the drying of expeans and, in the ways of wool-growers, who often 70 NORTH CLINTUN ST. Mr. Vernon, O., July 14 .- In the REGULATO DY SIMMONS' LIVER yeer 1854 Madison Robison was married to Hattie, daughter of Anthony The Cheapest, Purest and Best Family Medi-the in the World. White; three children, ans, were For DYSPEPSIA, CONSTIPATION, Jaundles started for Pike's Peak to make a for-tune, leaving his family behind. For tune, leaving his family behind. For This unrivalled Southern Remedy is warranted

not to contain a single particle of MERCURY, or any injurious informal substance, but is larly from him, but their arrival became less frequent, and finally ceased Purely Vegetable, altogether. Time rolled on, and no containing those Southern Roots and Herbs, which an all-wise Providence has placed in countries where Liver Disease most prevail. It will cure all Diseases caused by Derangement of the Liver and Bowels.

THE SYMPTOMS of Liver Complaint are a bitter or had tree in the countries. sent one, the wife and relatives came to the conclusion that he bitter or bad taste in the mouth; Pain in the Back, ides or Joints, o'ten mistaken for ilheumabullets or the knife of an a sassin. The hand of the wife was sought in marriage by 2 former lover of her youth, and she finally yielded to his solicitations and was wedded to him fourteen years after her first husband had been given up as dead. They at once required to Iowa and settled near Decorab, in that state. The long-lost R bison arrived to-day, after an absence of twenty one years, and, seeking out some relatives, learned for the first time of his wife's second marriage.

Back, sides or Joints, of the mistaken for Rheumstein; Sour Stomach Love of Appetite; Bow-is a temately control and lax; Headache; Loss of Memory, with a painful sensation of having failed to do something which ought to have been done Debility, Low Spirite, a thick yellow appearance of the skin and Eyes, a dry Cough of ten mistaken for Consumption.

Sometimes many of these symptoms attend the disease, at others very few; but the Liver, the largest organ in the body is generally the seat of the disease, and fin not regulated in time, great suffering, wretchedness and death will ensue.

I can re commond as an efficacious remedy for disease of the Liver, Heartburn and Dysnegus, Simmons' Liver Regulator. Lewis G. Wunder, Philadelphia. ri-ge. He gave a long account of his travels and adventures. After le ving Pike's Peak he went to Cala, British

Philadelphia.
"We have tested its virtues, rersonally, and know that for Dysrepsia. Billiousness, and Throbbing Hesdache, it is the best medicine the world ever saw. We have tried forty other remedies before Himmons' Liver Reg. later, but none of them. none of them gave us more than temporary re-lef; but the Regulator not only reserved, bu oured us."—Editor Telegraph and Messenger, Macon.
